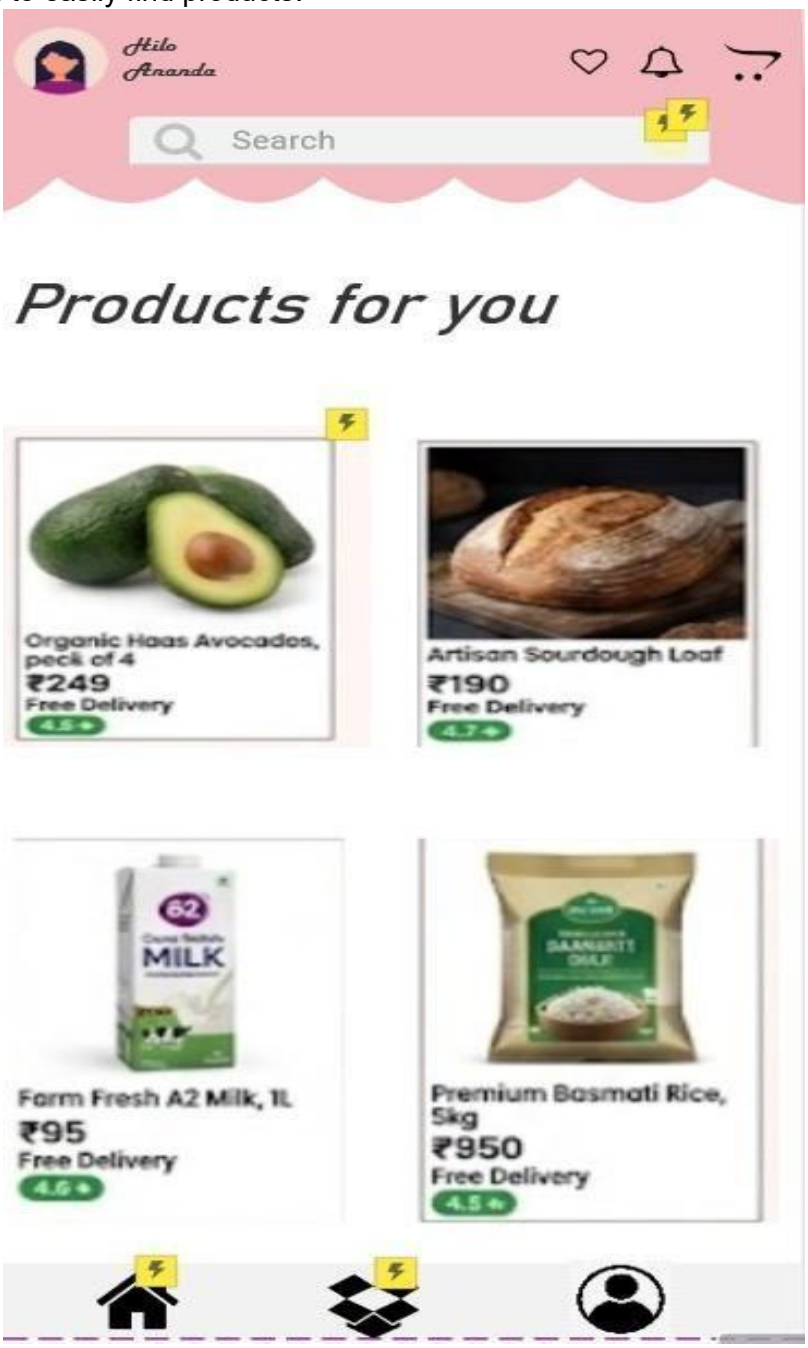
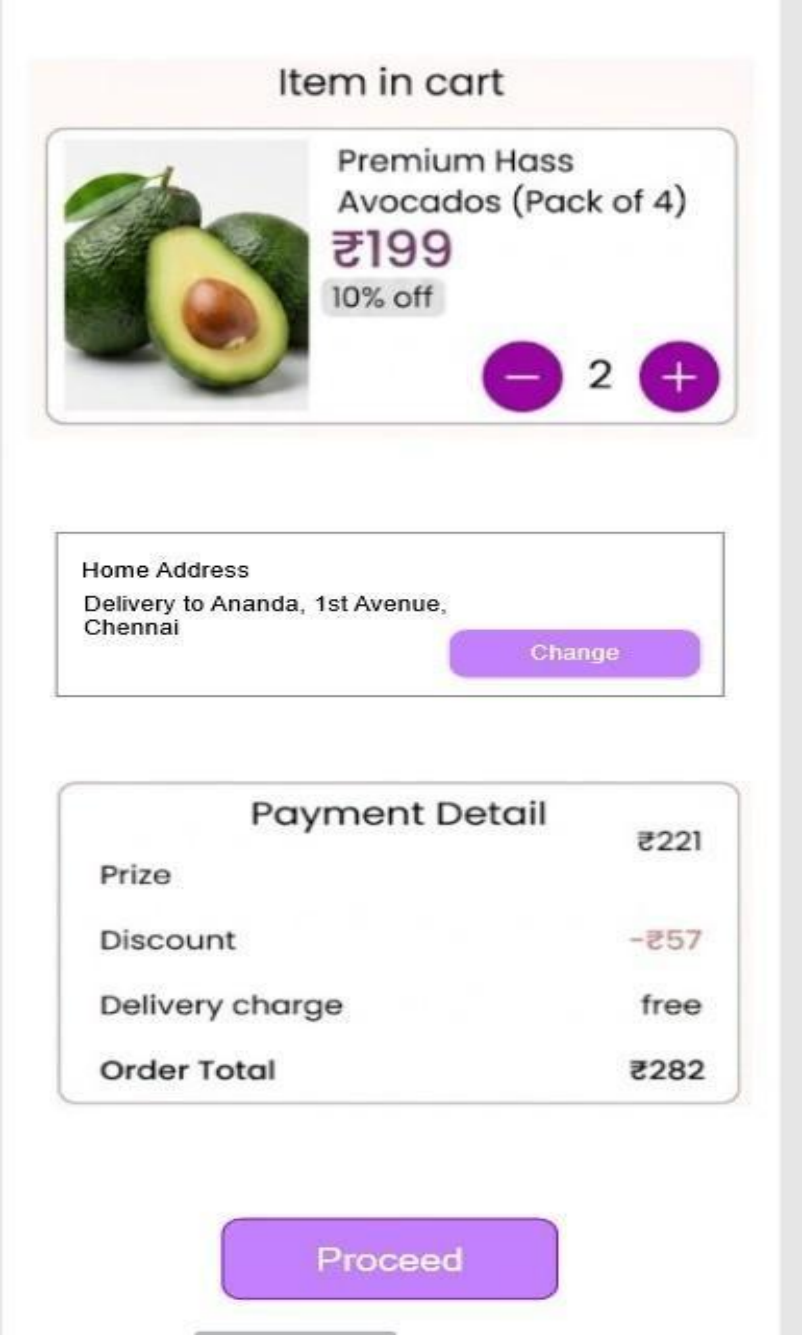
Phase 1: Product Browsing

Users can view various products displayed with images, prices, and ratings. A search bar is provided to easily find products.



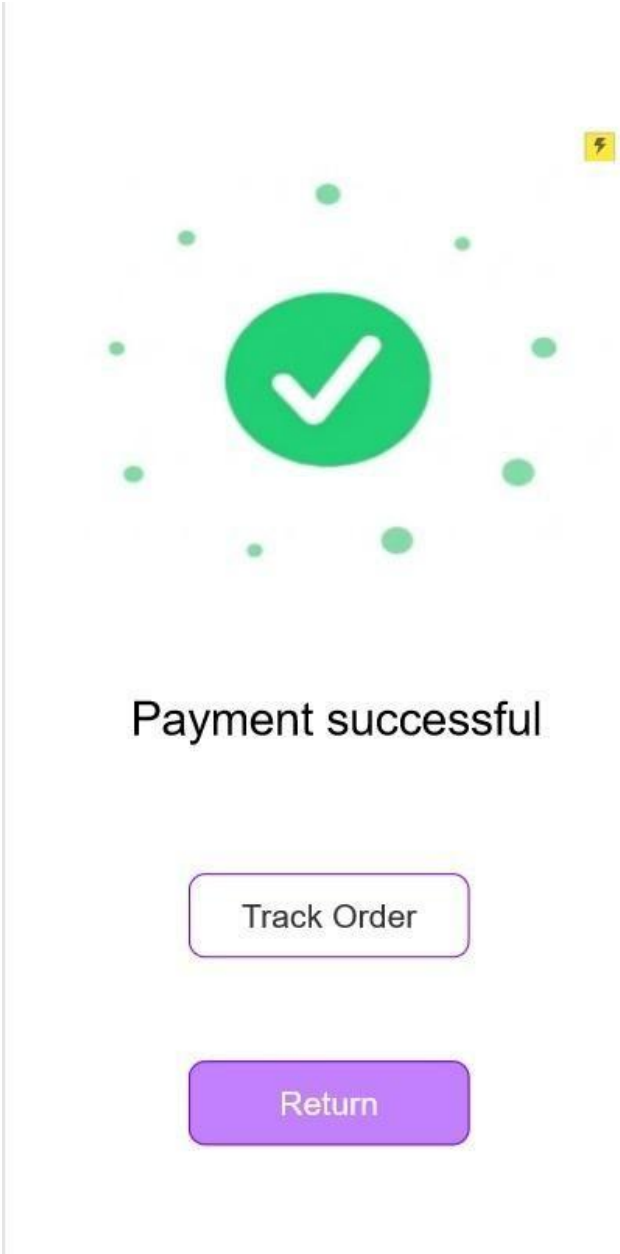
Phase 2: Cart and Checkout

Users can add items to the cart, update quantity, and view total price details including discounts and delivery charges before proceeding.



Phase 3: Payment Confirmation

After successful payment, a confirmation screen is displayed with a success message. Users can track their order or return to the main page.



User Feedback Collection

• A Google Form was created to collect user feedback on the chat app design.
• The form was shared with users to evaluate different color themes and layouts.
• Users were asked to give their rating on visual appeal, readability, and overall experience.
